My two books that I will read this semester, are the following:

The first one being EL VIEJO Y EL MAR by Ernest Hemingway., which I believe will help me with inspiration, since it is a book based on the concept of willpower. The book has around 208 pages, and I'm going to hear this audiobook on Youtube starting tomorrow morning 16/02/2023 (30 mins each day at 11:00 a.m. until finished): <https://youtu.be/PD5vX0WiyZk>

The next book in line is going to be Call of the Wild by Jack London, with around 232 pages, to view the perception of the author about how “humanity is always in a state of conflict, and that the struggles of existence strengthen man's nature” (McCrum, 2014). The book has around 232 pages, and I'm going to hear this audiobook on Youtube as soon as I finish “El viejo y el Mar”, and I'm going to dedicate each morning at 11:00 a.m. 30 minutes until I finish the book: <https://youtu.be/gKUUues3xAw>
